

5 Minute Prayer Friday

Prayer Focus for July 18, 2014:

Please pray for the families of the 295 people who died in the Malaysian in the Ukraine. Also, pray for Christians to be bold witnesses as we near the end times.

Prayer:

Lord, we pray for the families of the people who died in the airline that was shot down over the Ukraine yesterday. Please comfort them as they look for answers to this senseless tragedy. We pray for peace in the Ukraine so these tragedies do not continue to occur.

We also pray for the continued war in Israel. People around the world are living in fear because of these wars. Help Christians realize that this is a great opportunity for them to share their faith to those who are perishing. We pray You will draw people into Your kingdom as a result of these wars.

We can see that we are living in the end times, so please let us be bold witnesses for You. We pray that you will give us boldness and courage to speak the gospel message. Help us to watch for divine opportunities to share our faith.

We also pray for revival and spiritual awakening in America and around the world. As our time on earth is short, we pray that you will awaken Your church, which seems to be content in its sleepy state. Your church is not ready for end time events, so please raise up preachers and teachers who are not afraid to preach the entire Word. Please forgive the shallow preachers of today, who are afraid to speak about sin and hell. Make them ashamed and cause them to repent.

In Christ's Name, Amen
